

Be a part of The Trumpet Call

THE VOLUMES OF TRUTH.COM
ANSWERS ONLY GOD CAN GIVE.COM

God calls us to spread His Word by all manner of speaking and devices. Therefore, trumpet this Word loudly.

This includes contacting everyone you know, distributing cards and fliers to those you meet, displaying posters, card holders and rack cards, and utilizing bumper stickers, car signs, billboards, etc. Also utilize the internet to get the Word out. Be creative, but follow the rules.

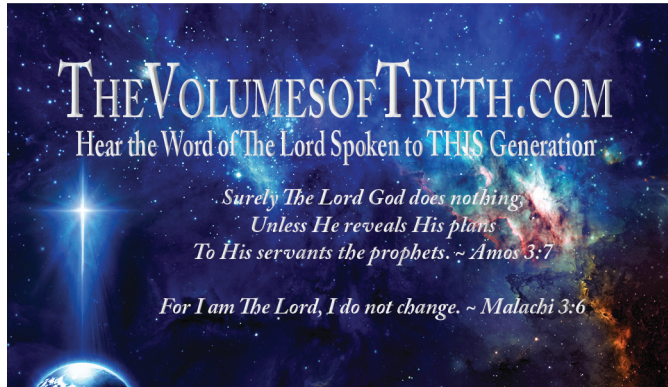

If you accept The Volumes of Truth as the spoken Word of God, please share this gift with others. And to all those who help spread The Word, THANK YOU! Your contribution of time and effort is greatly appreciated.

Beloved, I delight in that which one gives to
Another in My name, and by the works of their
Own hands and feet in all righteousness;
This is the tithe in which I delight most...

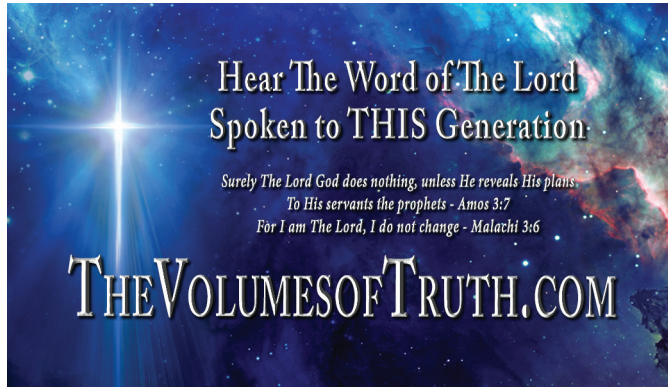

Says The Lord YahuShua.

Thus says The Lord: For those who trust in Me and in whom My spirit dwells, My words are like a strong tower set in the midst of battle, which can in no wise be broken down... A great trumpet blowing upon the hill outside the city, echoing throughout the waste places; a waving banner for this generation, a bright light, a beacon, shining in the midst of this present darkness... A rod of justice for the oppressed and the persecuted, a loosening of the chains, the breaking apart of every shackle... Freedom for those who love Me, deliverance for those who understand, strength for the weak, grace to the humble, manna to nourish the penitent.

A waving banner for this generation, a bright light, a beacon, shining in the midst of this present darkness...

A rod of justice for the oppressed and the persecuted, a loosening of the chains placed upon My people, the breaking apart of every shackle...

*Freedom for those who love Me,
Deliverance for those who understand,
Strength for the weak,
Grace to the humble,

THEVOLUMESOFTRUTH.COM 5.5" x 4.2" Card Holder

The card holder is to be used with a clear, self-adhesive poly pocket, to be placed just above the "Please take one". This allows multiple business cards to be placed in the poly pocket. The card holder can then be tacked to a bulletin board.

The best self-adhesive poly pocket is one that is slightly oversized, to allow for several business cards. We recommend "SMEAD Self-Adhesive Poly Pocket 4-1/16 x 3" (found on Amazon.com and other office supply sites).

When ordering card holders, you will need to order the MATTE version. The poly pockets will not adhere sufficiently to glossy and "soft touch" paper.

Card Holder - optional back

Thus says The Lord: Beloved, this Word, even every Volume to every Letter, is the Word of My glory, which I have put forth once again... A testament of My love and sacrifice, the announcement of My coming, a proclamation of truth, revelation of who I really am!... The Trumpet Call of God, so all those called and chosen may hear and come to Me in their proper time and season.

Behold, it is also a strong correction for all those who have taken to themselves MY name and MY Word, to pollute it, a plumb line for this wicked generation. For this Word is a waving banner, an ensign to all nations!... A trumpet of alarm and war, the sound of recompense and judgment, which shall soon fall upon every nation.
