MY CALLING

My friends, I do not wish to replace, or take away from, or add to the Holy Bible! Rather, these words and this understanding was given to Me by The Lord, and is for all those who have ears to hear. He, alone, may *add to* His Word for our benefit and to give us greater understanding.

I have not accepted even one penny for the Letters, nor do I plan to... ***The Word of God is free to all!***

I do not have any previous learning in Scripture, no degrees of any kind, nor have I attended seminary, nor have I received any teaching from any pastor, minister, etc., nor have I been to church... I must remain separate, from those whom God wishes me to give His message to, lest I become biased toward a certain denomination. I do, however, gather together with others for Bible Study, several times a week and every Sabbath.

***I belong to My Lord Jesus Christ...
And together, with all those who are His, is the church in which I dwell.***

The first time I embraced the Truth, which is in Jesus Christ our Lord, was when I heard the voice of The Lord. He has asked me to serve Him, and I have accepted His calling... *I am The Lord's servant, His prophet.* And to this end I am called:

- 1) To trumpet the coming of Christ to every corner of the world, in all manner of speaking and devices (internet, etc).
- 2) To write God's Word, which is a Final Testament to His glory, so those who have not heard might hear; and so those who have heard might come into a greater understanding of His will, set forth in the Scriptures of Truth, the Bible; and so those, who have not and will not read the Bible, might be saved by His Word given to an average, modern man of this day, in the hope of them returning to the Bible, ***for the Letters from God and His Christ and the Bible are in perfect agreement and carry The Lord's same life-giving Word and Spirit.***
- 3) To give this Word to the churches, so they might receive correction and make themselves ready, a beautiful Bride dressed in white, ready for her Husband... A clean, loving, ***humble*** Bride who walks in Christ's very footsteps, obeying His Word and the Moral Law (not the law found in ordinances, but the Law of Liberty, in number, Ten)... That She might become a shining example, a bright beacon of hope to those who stumble in the dark, that they might be gathered with her, and be, once again, grafted in.
- 4) To be a *watchman*, that I might sound the warning, the blowing of the Trumpet, to warn all those who abide on the earth that the redemption of God's children from the world draws very near, and God's judgement must immediately follow!...

For the Day of The Lord is upon us, and who shall stand?!...

***Those who call on the name of The Lord, in all truth and supplication, humble and penitent,
Calling on Him, by the only name under Heaven by which you must be saved...***

Jesus Christ The Lord... YahuShua HaMashiach!

As I am God's servant, so also have I become a servant to all those who diligently seek Him. *Remember: What The Lord has given me to write, stays written, and what The Lord has spoken, STANDS.*

Yours in Christ's service and love, Timothy

And at midnight a cry was heard: 'Behold, the Bridegroom is coming; go out to meet Him!' ~ Matthew 25:6
